ABOUT ME

Creative and detail-oriented Senior Design Specialist at Clifford Chance with experience in graphic design, visual communication, brand development, and multimedia content creation. Proficient in Adobe Creative Suite and Microsoft PowerPoint, with expertise in developing high-quality client presentations, corporate communications, marketing collateral, infographics and digital assets. Skilled with a strong understanding of brand consistency and visual standards. Adept at managing multiple design projects, collaborating with cross-functional teams, and delivering visually compelling solutions aligned with business objectives, brand guidelines, and quality expectations.
